SEO Specialist (On-Page & Technical Support)

August 2025 – Present

Handled multiple client websites across various industries.

- Managed on-page SEO (meta tags, URLs, internal linking, content updates)
- Assisted in technical SEO (crawlability, indexing, site speed improvements)
- Supported SEO reports, audits, and performance tracking

Tools Used:

- **Ahrefs** — Conducted website audits, keyword research, and SEO monitoring.
- **Ubersuggest** — Identified SEO issues, optimization opportunities, and keyword suggestions.
- **Google Search Console** — Monitored search performance, indexed pages, and click-through rates (CTR).
- **Google Analytics 4** — Analyzed website traffic, user behavior, engagement, and conversions.
- **Microsoft Clarity** — Reviewed heatmaps and session recordings to improve user experience.
- **Shopify** — Managed product listings, SEO titles/descriptions, and product URLs.
- **Microsoft Excel / Google Sheets** — Organized product data, tracked SEO tasks, and maintained reports.
